the County Court a contract was let out to Mr.
Jack Albert for the purpose of building a sus-

Knob-bings.

The hour was 12—dinner time. The place,
Pilot Knob Hotel, over which Steffens, the
prince of hosts, reigns supreme; and your
humble correspondent and his first-born
But I forget you don't know anything about
myself or family, and that might be so much
to our advantage. Still I must introduce my
boy to you—lunk, gawky and unhandy; I mean
not easy to handle. He carries the proud
name of Jackson Ulysses Garfield, or, for
short, "Jug." "Jug" was born during the late un-
pleasantness, under rather great difficulties,
so the doctor said, and that is the reason his
name is a little mixed—polley, you see. Well,
let us proceed to business, after you have the
introduction. I had just finished reading
about the first meeting of the new Cabinet,
and rather liked the way Garfield placed those
Secretaries; so I concluded to follow in his
footsteps. I placed myself at the head of the
table; to my right, "Jug," as Secretary of
"Tate;" on my left, Clark P. Secretary of War,
on account of his demoting qualifications;
next to "Jug," George W., for the Navy—the
way he managed to navigate those unknown
dishes down his river, was a caution. A fancy
chap next to the Navy (perhaps he was a
drummer), I gave the F. M. position. He looked
M. P.—most amiable. And before I had
time to gratify the others, in came the whole
of Europe (a late importation), and our late
peaceful man became a perfect Babylon.
"Jug" got bewildered and hollowed at the
top of his voice: "Dad, who are those Hot-
tentots?" I informed him that they were
emigrants; so I imperiously by the Company. And
"Jug" then wanted to know if they were all
related to Grant? As I could not see the
point, I asked him "Why?" and he said he
thought they were travelling on somebody
else's expense, seeking Government aid.
I understand the next batch of emigrants
will be Celestials. Heaven help us when they
arrive!

Since I've been over here I have learned one
or two things, and that is how the merchants
here can do such a good business. You see
they employ female clerks; and I know by ex-
perience that it is a mighty smart trick. Oh!
Kirk himself would spend his last dollar
when waited on by those charming clerks—
particularly when they are backed, as they
are, by well filled shelves.

Friend Turner is busy, and Kluge is the
druggist here. The doctors are, to judge by
appearances, busy. Dr. Thomas's practice is
ever on the increase, and Farrar is just crawl-
ing up the ladder of fame and repute; his new
office, next to Elisman's tailor-shop, is a daisy
and that, yes, that chariot of his, I suppose,
as improvement on Dr. Thomas's four-wheeled
one. I understand another surgeon in town is
improving on Farrar by running a one-
wheeled vehicle. Competition is the spice of
life!

"Jug" is hungry again, so I will have with
him to the baker's, and stop my scribbling.
The report over here is that "Mike Dodson"
and the "Kurral" were on the bridge when it
was swept down the river, and both got a good
drinking. We won't hurt some fellows, you
know; but still water on the brain isn't healthy.
Yours, &c., KNORRY.

No Proof More Convincing.

Could be produced to satisfy us that there is
merit in DAY'S KIDNEY PAIN than the fact that
it is being imitated. Alas! several worth-
less kidney pads are seeking a sale on the good
reputation of the original and excellent pad.
It is the greatest of mistakes, drugging the
system with medicines to cure kidney trouble.
The application of a DAY'S KIDNEY PAIN to
mail of back will cure when nothing else can.

DES ARC MO., March 12th, 1881.

of Iron county for School Commissioner?
Please answer through the REGISTER, and
oblige Yours truly, J. N. SEMANDS,

Southeasterlings.

It is said that the railroad shops at
Belmont will be removed to some other
point.

ABOUT one hundred immigrants set-
tled in Stoddard county during the past
month.

THERE are five candidates in the
field for County School Commissioner in St.
Francis county.

THERE were 1,357 bushels of corn
transferred from cars to barges at Belmont
during the winter.

THE steeple of the Lutheran Church in
the city of Girardeau is to be graced
with an \$800 clock.

It is reported that a party of English
capitalists have invested \$30,000 in iron land
in Washington county.

A BOY attending the Public School
at Charleston is reported to have fallen heir
to an \$1,000,000 estate in California.

THE inhabitants of Ste. Genevieve
are certainly fond of dancing. Nine parties
were given there on one night, recently.

THE Enterprise-Messenger says from
present indications there will be more acres
of cotton planted in Stoddard county this year
than last.

THREE parties were fined \$100 and
costs in New Madrid county, a few weeks ago,
for hunting in Missouri; they being non-resi-
dents of the State.

THE Shawneetown Woollen Mill, in
Cape Girardeau county, run nine months last
year, and in that time manufactured about
25,000 yards of cloth.

THE County Court of St. Francois
county has purchased 300 acres of good farm-
ing land near Farmington for a poor farm.
\$3,000 was paid for the land.

A COMPANY has been organized to
build a railroad from Point Pleasant (on the
Mississippi river), New Madrid county,
via Clarksville, Dunklin county, to Minturn,
in Arkansas.

THE News says the Normal at Cape
Girardeau seems to have gone into the boom-
ing business. New pupils enter each week.
It has grown to respectable proportions, and
is likely to keep on growing.

Now the Cape Girardeau Democrat
says: "The colored man who found the quart
of supposed gold dollars * * * brought the
metal to the city on Saturday last and took it
to the bank to exchange it for silver. On ex-
amination, Col. St. duvant pronounced it brass,
and the funder went away disheartened."

School Fund Mortgage Sale.

W. H. Dillingham, by their certain
School Fund Mortgage deed, dated the
8th day of December, 1875, which
said mortgage deed was duly re-
corded in the office of the Recorder of
Deeds for Iron county, Missouri, on the
8th day of December, 1875, in Book "R,"
pages 429, 430 and 431, conveyed to Iron
county, Missouri, for the use and benefit
of the Capital School Fund of said county
(therein more particularly described and
set forth), the following described real es-
tate, lying and being in said Iron
county, State of Missouri, described as
follows, to wit:

Lots five (5) and eight (8), in block num-
ber thirty-two (32), in the City of Iron-
ton, Iron county, Missouri, as the same
appears on the recorded plat of said City
of Ironton, and on file in the office of the
clerk of Iron county, Missouri;
Which conveyance was made to secure
the payment of five hundred and fifty dol-
lars belonging to the Capital School Fund
of said county, as follows, to wit:
To the Capital School Fund of township
34, range 3 East, \$350.00; for which said
amount the said M. H. and E. P.
Dillingham as principal, with E. M.
Bradley and James A. Greason, as
security, executed their bond for the
sum of \$550.00 of even date with
said mortgage, bearing ten per cent. in-
terest per annum from date, bearing date
the 8th day of December, 1875, and pay-
able on the 8th day of December, 1876—
which said bond has become due and re-
mains unpaid;

And, whereas, among other things, it is
provided in said deed of mortgage that, if
default should be made in the payment of
the principal or interest, or any part there-
of, at the time when the same should sev-
erally become due and payable, according
to the tenor and effect of said bond, that
the then acting sheriff of Iron county,
Missouri, should have power, without suit
on said deed of mortgage, to proceed and
sell said property conveyed and mortgaged
in said deed;

And, whereas, default has been made
in the payment of said bond in said deed
of mortgage described, by both principal
and sureties;

Now, therefore, in accordance with the
provisions of said deed of mortgage, and
in obedience to an order of the Honorable
County Court of Iron county, Missouri,
made at its March term, 1881, I, Will-
iam A. Fletcher, sheriff of said county of
Iron, State of Missouri, will, on
Monday, April 18th, 1881,

in the city of Ironton, and county afore-
said, between the hours of 9 o'clock A. M.
and 5 o'clock P. M. of that day, sell, at
public vendue, to the highest bidder, for
cash in hand, the above described real es-
tate, to satisfy said bond and mortgage
and the cost hereon.
